Our Year 2017

EUROKONGRESS

Congress + Event + Exhibition Management

Dear all,

In 2017 again, our conferences took us to many lovely places in Germany and throughout Europe – we met long-time partners and friends of the meeting industry and discovered new destinations and cooperations.

To us, this is what makes our business special – the personal liaison with you as our clients, business partners and colleagues. We love to meet people, learn about cultural diversity, explore new destinations and discover novelties at well-known sites.

Combining the spirit of open-mindedness with the perfect planning is what we aim for.

We thank all of you for your ongoing trust and support and hope to meet again in 2018.
