60 years of bringing

60 years of  
EUROKONGRESS!

Dear all,

Our anniversary year has been full of highlights: We had the pleasure to welcome three new scientific societies in our client portfolio. It is an honor to us to have been selected as PCO partner for such exciting and important conferences and we are thrilled to pave the organisational way to another series of successful meetings.

In summer, we designed and organised the largest event of the EUROKONGRESS history. Curtains open for 12.000 guests! At this corporate event, 6.500 employees and their families enjoyed a fun fair including attractions for all ages: sports and fun activities, artists, music and food trucks towered by a Ferris wheel as highlight of the day.

Throughout the year, we have been supporting various projects and conferences of our long-term customers in Germany and Europe: Munich, Berlin, Neuss, Milan, Marseille – from 150 to 3.000 delegates – medicine, science, economy. Our hearts beat for every event and destination.

To sum up the year, we celebrated our 60<sup>th</sup> anniversary with many long-time companions and our great team. 60 years of event business would not have been possible without all of you – clients, business partners, colleagues and friends.

Our heartfelt thank you to all of you for your trust, support and loyalty!

Your **EUROKONGRESS Team**
