Congress + Event + Exhibition Management

Season's Greetings

In addition to the many exciting projects and events delivered, 2023 also saw a major development for the EUROKONGRESS team:

At the beginning of the year, Katinka Kramer joined as managing partner beside our long-term Managing Partner Theodor von Froenau. Katinka replaces Wolfgang Kerkhoff who remains active in the meetings industry but steps back from operational business. Together, Katinka and Theo make a perfect match with their experience, professionalism and passion for both our team as for our clients.

We hope you enjoy it!

Dear all,

Each day we are faced with changes; globally, locally, professionally and privately. These changes can be challenges or opportunities, but are always a step into the future.

In 2023, the EUROKONGRESS team took several steps into the future: Katinka Kramer stepped beside Theodor von Froenau as managing partner, the team stepped up their close collaboration by returning to the office after months working from home, and we stepped on the gas for our clients to deliver their exciting projects.

For our final step of the year, we are jumping into 2024 with a new company website.

We hope that all your steps lead to a peaceful holiday season and prosperous New Year.
